This rebate program is available to SBEC Residential Members and applies to energy efficiency projects completed on homes serviced by SBEC. Starting January 01, 2009 to December 31, 2009 - (or while funds last), SBEC offers rebates for energy efficient home improvements. The rebate will appear as a bill credit on your SBEC account. If your account is budget billed, you may receive a check in lieu of a bill credit.

Submission of an application does not guarantee a rebate. Applications must be completed and submitted within 90 days of installation of improvements. Please allow 8 to 10 weeks after receipt of all documents for the rebate to appear as a bill credit on your SBEC account.

To obtain further information, please check the SBEC website at: www.sbec.org or call your SBEC member service representative at 1-800-364-3171.

Under penalty of perjury, I certify that the above declaration is true and correct; and I understand that the information is subject to audit and investigation by SBEC and an on site verification may be required prior to payment of rebate. I also understand that submission of this application does not guarantee a rebate. The program will end when funds are depleted.
